**RENEWED REQUEST FOR STATUS UNDER 37 CFR 1.42,
37 CFR 1.47(a) AND 37 CFR 1.497(b)**

July 25, 2007

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Reference is made to the Decision on Petition dated June 29, 2007.

By way of background, the Decision indicates that the Declaration filed April 26, 2007 is in compliance with 37 CFR 1.497(b)(2).

The Examiner has further indicated that Petitioner has previously satisfied Items 1, 3, and 4 with regard to the Petition under 37 CFR 1.47(a) and that Petitioner has sufficiently established that Kristen Heckmann resided at the delivery address at the time the correspondence was delivered. It can therefore be concluded that Kristen Heckmann refuses to sign the application papers.

The Examiner has indicated that therefore the present application will be accorded status under 37 CFR 1.47(a) upon the filing of a grantable Petition under 37 CFR 1.497(d).

As to the Petition under 37 CFR 1.47(b), the Examiner has indicated that Items 1 and 2 thereof have been previously satisfied.

However, the Examiner has indicated that Item 3, namely the written consent of the assignee, has not been satisfied because the document submitted states only that it was signed by an authorized representative.

In order to overcome this situation, applicant now submits herewith a new Declaration which has been executed by two individuals as is a common requirement for European companies.

The document has been signed by an authorized corporate officer and a representative. The authorized corporate officer is Georg Muller and the representative is Rudi Kisselmann.

Accordingly it is clear that the assignee consent has been executed by an authorized corporate officer.

Acceptance of the assignee's consent is respectfully requested.

It is believed that the applicant has now complied with all requirements and that its renewed Petition should be granted.

Respectfully submitted,

/ Michael J. Striker /
